OBJECTION TO THE SALE OF SUPERIOR AIR PARTS, INC ASSETS.

The undersigned (Creditor) purchased an experimental engine model number XP-O-360-B1AC2 serial number 36E081434 via escrow closing on 19MY08 for the total amount of \$21,600.00. The purchase agreement between the two parties was to include a three year warranty plus a six month extension for engine installation. The undersigned notified Superior Air Parts in December 2008 that the engine had been installed on the Creditor's aircraft frame. At this time the undersigned was told that "the problems with Thielert had nothing to do with Superior". "Superior was a strong company with many orders and no cash flow problems." This purchase agreement was breached when Superior Air Parts announced in January 2009 that they will no longer support the warranty or sell parts under the Superior line of products. The undersigned respectfully demands settlement by the return of the original purchase price prior to undersigned prior to the sale of Superior's assets.

The undersigned respectfully moves this court to deny the Debtor's motion to approve bid procedures for the sale of substantially all of the debtor's assets until this instant issue has been resolved.
